if i gave you God's phone number....

Thank you for visiting www.tocallgod.net, the website for my book: ***if i gave you God's phone number....Searching for Spirituality in America***. Many people were accessing this chapter because they have heard of Jasmine Hisha which is a credit to her and her incredible spiritual work. However because of the extensive time and resources that went into the writing and publication of this book, I needed to make the decision to no longer provide the chapter about Jasmine Hisha as a free download. Instead it is now available to purchase for \$5.50 off www.tocallgod.net. Simply go to http://www.tocallgod.net/html/tcg_orde.html and click on the option through Paypal to purchase the chapter. Once you have made the payment, you will be directed to a link to purchase the excerpt from the book.

Thank you for your interest in my book and the wonderful, colorful wisdom of Jasmine Hisha.

For the Earth,
Mare
